Competition rules are simple: just run in events from the competition list in order to win points. Maximum score (40 points) is awarded to the first Congleton Harrier home, 39 for second and so on. Independent scoring for ladies and men. Precedence is given to members who secure a **Qualifying Score** by competing in different race categories - Fell, Multi-Terrain, X-Country & Road. See our Club website for a list of events. Best eight scores to count. Secure a **Qualifying Score** by competing in two different race categories. Your **Qualifying Score** must include at least one score from each qualifying race category. If the scores are tied, then precedence is given to the runner who has competed in the most race categories and then the most overall events. Please report any errors or omissions to Rich Benson
