Competition rules are simple: just run in events from the competition list in order to win points. Maximum score (40 points) is awarded to the first Congleton Harrier home: 38 for second and so on. Independent scoring for ladies and open. Precedence is given to fully paid-up club members (for the duration of the competition) who secure a **Qualifying Score** by competing in different race categories - Fell, Multi-Terrain, X-Country & Road. Best eight scores to count. Secure a Qualifivino Score by competing in three different race categories. Your Qualifivino Score must include at least one score from each qualifivino race category. If the scores are tied, then precedence is given to the runner who has competed in the most race categories and then the most overall events. See our Club website for a list of events.
